## NORDIC & BACKCOUNTRY TRAIL NOTES:

## IMPORTANT GENERAL NOTES:

Spring skiing is here! Enjoy the sunshine and be mindful that late season conditions may be present in some areas of the Resort. Please ski or ride with caution, and watch for possible unmarked hazards and freeze-thaw conditions. Terrain closures may occur throughout the day due to warmer temperatures. As days get longer it's tempting to stick around on the slopes to enjoy the evening sun, but for your safety and the safety of our on mountain teams please respect our designated operating hours - the best place to enjoy après is in the village.
