Accommodation Guide

Accommodation

Overlooking the pedestrian-only area of the village core are nine hotels and apartment style buildings. With a slight grade to the snow-covered thoroughfare, you can conveniently ski from your front door to the lifts, and stop for your morning coffee along the way! Well-appointed chalets can sleep up to 20+, while contemporary and traditional mountain-style condos sleep 2 or more. No matter your location, you're a short walk from restaurants and shops.

An aerial night view of a snowy mountain resort. The buildings are illuminated with warm yellow lights, and the surrounding trees are covered in snow. A large, brightly lit Christmas tree is visible in the foreground. The overall scene is festive and cozy.
