

An aerial photograph of the Sun Peaks resort. The image shows several large, multi-story buildings with colorful facades (yellow, orange, green, and red) and grey roofs. The buildings are situated in a valley with a paved road and a parking lot in the foreground. In the background, there are forested mountains under a cloudy sky. The sun is visible on the left side, creating a lens flare effect.

Sun Peaks

ACCOMMODATION OVERVIEW

Overlooking the pedestrian-only area of the village core are nine hotels and apartment style buildings. With a slight grade to the snow-covered thoroughfare, you can conveniently ski from your front door to the lifts, and stop for your morning coffee along the way!

Well-appointed chalets can sleep up to 20+, while contemporary and traditional mountain-style condos sleep 2 or more. No matter your location, you're a short walk from restaurants and shops.
