INTRODUCING AT YOUR LEISURE

A mountain holiday should feel like a holiday.

At Your Leisure is our shared winter campaign between Tourism Sun Peaks and Sun Peaks Resort, celebrating the freedom to experience Sun Peaks at your own pace.

From skiing all three mountains to enjoying a long lunch in the sunshine or discovering the village après scene, the campaign showcases the diverse experiences that make Sun Peaks special.

Together, we're bringing this story to life through destination marketing, five signature Peak Moments and memorable guest experiences throughout the winter.
