A Boardroom With a View!

Welcome to Sun Peaks, Canada's Alpine Village.

Refresh your team and escape from the mundane office setting for a unique retreat close to home. Sun Peaks provides the ideal atmosphere to open your minds and generate new ideas and strategies for your company.

Sun Peaks is centrally located in the Thompson Okanagan, only a 45 minute drive from Kamloops Airport (YKA) and less than an hour by air from Vancouver and Calgary. You can opt for convenience of the Kelowna Airport (YLW), only a 2.5 hour drive to Sun peaks, offering non-stop flights from Toronto, Victoria and Seattle.

Whether meeting to develop policy, define strategy or simply improve communication, you'll enjoy our serene resort ambience. Sun Peaks' charming pedestrian village features full-service hotels, event facilities, casual to elegant restaurants, specialized boutiques and exciting outdoor adventures and activities. Meeting facilities are located within the village hotels along the pedestrian stroll, accommodating groups as large as 600 people.

Summer in Sun Peaks

The options are endless for your team building, meetings or incentive group. See below a sneak peek on what a day could look like in Sun Peaks. Stroll through the village, listen to live concerts, relax at the spa or discover the shops and cafés.

These are just a few ways you can make the most of your BC summer days in Sun Peaks:

Explore the Alpine

Head up the chairlift and experience the alpine wild flowers that Sun Peaks is known for. Once you reach the top of the chairlift you can venture on a leisurely hike through the flowers to the 'Top of the World', head out on the cross country or downhill biking trails or enjoy a cold beverage on the patio of the Sunburst Lodge before riding the chair back down. Guided tours are available for hiking, cross country bike and downhill biking.

Take a Journey Through History

Hop aboard a voyageur canoe with your group to learn about Canadian history from your very own Fur Trader tour guide. Enjoy a leisurely paddle across McGillivray Lake where you may spot some local wildlife such as beavers, moose, deer or loons. Following the paddle you can enjoy a Fur Traders Feast in a log cabin beside the lake, where you will experience foods that the fur traders once ate, such as salmon, bannock and peameal bacon.

Golfing in the Mountains

Sun Peaks offers a one-of-a-kind golfing experience with the greens located at 1,200 metres above sea level, making the course British Columbia's highest elevation course. Surrounded by natural foliage and panoramic mountain views, the challenging 18-hole par 72 Graham Cooke designed course winds through the valley and amongst the three surrounding mountains, Tod, Sundance, and Morrisey. The 6,400 yard course offers risk and reward opportunities intended to appeal to every level of golfer.

Winter in Sun Peaks

Our winter adventures can be tailored to your specific needs, ensuring your entire team has the opportunity to participate and enjoy these fun activities. Your group can head out on an exhilarating dog sled adventure, snowmobile tours combined with campfire cookouts, or a guided mountain tour of our three diverse mountains... just to name a few.

At Sun Peaks Resort you'll find BC winter activities for everyone.

Snowshoeing Adventures

Venture onto our winter playground on snowshoes. Your team building experience can be catered to your needs and can include adventure challenges, team relays and even snowshoe golf. Tours can include a night time snowshoe with a campfire cookout, a strenuous journey out to McGillivray Lake, or an alpine snowshoe experience where your stunning views from Tod Mountain will take your breath away.

Fondue Dinner and Evening Descent

Board the Sunburst Express chairlift for a twilight ride up to the Sunburst Mid Mountain Restaurant where you will be treated to a delightful fondue accompanied by live music. After the meal you will cruise down the lantern lit slopes of the 5 Mile ski run with your guide. Your group must be able to confidently ski or snowboard down 5 Mile, a groomed green (easiest) run, in the dark with a small headlamp. A headlamp will be provided to all guests for the descent. The starlit sky is the perfect backdrop for the ski down, and is a great way to end a day on the mountain.

Starlight Sleigh Ride

Sit back under the covers and take in the sights and sounds of the village and surrounding area for a daylight, sunset or evening tour. You'll wind through the village at a leisurely pace and listen to the clatter of hooves and ringing of sleigh bells before moving out more briskly into the open for views of the valley, mountains, and Sun Peaks' many activities and amenities before our return via a gentle ski run.

Closer Than You Think!

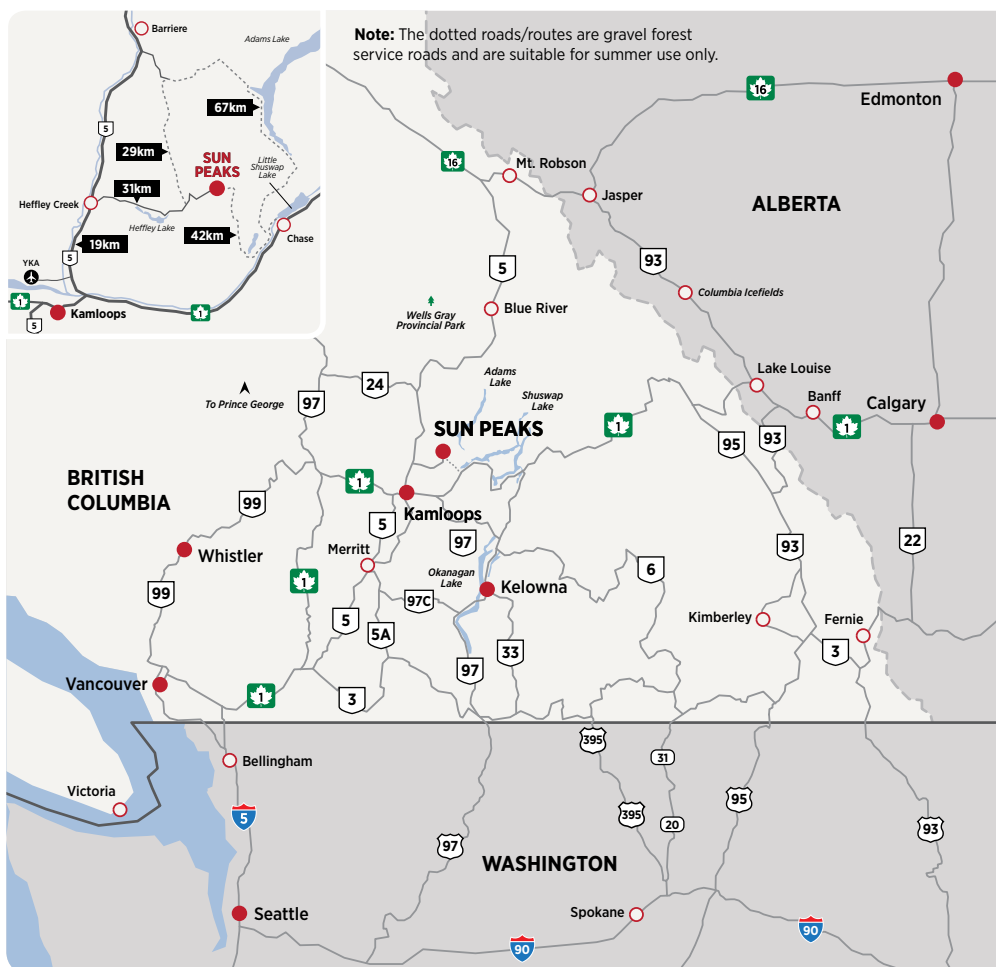

Sun Peaks is conveniently located in the heart of British Columbia, linking together organizations, companies, special interest groups and associations from near and far in our purpose-built mountain village setting.

The intimate pedestrian only village, diverse dining and wide range of activities coupled with local charm and world class service deliver an experience like no other. As easy picturesque 45 minute drive from Kamloops provides remarkable views and stunning landscapes of the Thompson Highlands.

Sun Peaks is even more accessible by air with daily direct flights to Kamloops (YKA) from Vancouver and Calgary, serviced by Air Canada and West Jet. Kelowna is another convenient airport gateway for guests coming from or connecting through Toronto, Seattle or Victoria. One-stop connections from both gateways are also available from North America, Europe, Australia and Asia.
