CAUTION

The avalanche hazard information is a generalized forecast from Avalanche Canada for this region provided for your information only. Local conditions can and do vary widely and can be dangerous at any time even if the forecast does not report this. Know your route, be properly equipped, notify someone of your travel plans, never ski alone. Sun Peaks Resort LLP does not endorse or encourage going beyond the ski area boundary at any time. Persons going beyond the ski area boundary do so at their own risk and assume all liability and responsibility for their own safety.
