A wide-angle photograph of a snowy street at night in a village center. The street is covered in a thick layer of snow. On the left, a multi-story building with light-colored siding and dark shutters has several windows and balconies. A string of warm white lights is strung across the street, and a tree is decorated with green lights. People are walking on the snow-covered path, and a dog is visible in the foreground. In the background, more buildings and string lights are visible under a dark blue sky. A sign for 'Baby Doh's' is visible on the right side of the image.

An aerial night photograph of a mountain resort. The scene is covered in snow, with numerous evergreen trees heavily laden with snow. In the center, a large, multi-story resort building is brightly lit from within, with its lights glowing through the windows and balconies. To the right, another building with a prominent clock tower is also illuminated. The surrounding slopes are dotted with smaller buildings and more snow-covered trees. The overall atmosphere is cozy and festive, typical of a winter resort at night.
