

A wide-angle photograph of a snowy mountain landscape at sunset. The sun is low on the horizon, casting a warm orange glow over the scene. In the foreground, two skiers are descending a steep, snow-covered slope. The skier on the left is wearing a blue jacket and is in a dynamic pose, kicking up a cloud of snow. The skier on the right is wearing a teal jacket and is also in a dynamic pose, leaning into a turn. The background features a dense forest of evergreen trees covered in snow, and a layer of clouds is visible below the mountain ridge. The overall atmosphere is serene and majestic.

A skier wearing a bright yellow jacket and a white helmet is captured in a dynamic pose, carving a turn on a snowy slope. The skier is positioned in the lower right foreground, with a cloud of snow kicked up behind them. The surrounding landscape is a dense forest of evergreen trees heavily laden with snow. In the background, a vast mountain range stretches across the horizon under a dramatic sky where the sun is setting, creating a warm, golden glow. The overall scene conveys a sense of adventure and winter sports.
