SUN PEAKS™
RESORT

Please review the following information before getting on your bike to ensure the enjoyment and safety of all guests.

Fat Bike Information and Regulations:

1. All riders must have a valid and visible ticket or seasons pass to ride on fat bike and designated multi-use trails (see map on reverse).
2. All riders must stay on designated trails. Those caught on non-designated trails may have passes permanently revoked.
3. All riders must stay in the skate lane, in-between the set Nordic tracks while riding multi-use Nordic trails.
4. All riders are to yield to all other trail users (see trail courtesy signage on reverse).
5. Fat Bikes must have tires 3.75" or wider and run tire pressures no greater than 8psi
- **no exceptions!**
6. The temperature must be below 0°C in order to ride on any trail (multi-use or fat bike specific)
- **no exceptions!**
7. Fat Bikes are not to be ridden on any trail (multi-use or fat bike specific) if recent snowfall exceeds 5cm.
8. Helmets are required to be worn at all times.
9. Please clean muddy tires before riding on snowy trails.

REMEMBER!

You are an ambassador for fat bikers and other cyclists. While on multi-use trails, please be respectful of other user groups.

DO NOT RIDE IF:

1. You are leaving a tire rut deeper than 1-2cm.
2. You are having trouble riding in a straight line.

*Prices do not include applicable tax. May change without notice. Damage waiver is optional. **Tickets are not required for riding on the Valley Trail network.
