The Franziskus Chapel

Our charming mid-mountain chapel was constructed in 1999 by Peter Stumboeck, the owner and operator of Sun Peaks Lodge at the time. Peter felt strongly that Sun Peaks should have a chapel and pursued the idea bringing it to life and the enchanting fairy tale chapel was built. Authentic in nature and true to form, the bell that sits atop the chapel was brought from Bavaria and the paintings throughout the chapel are the works of Rudi Schmid, also of Bavarian descent.

The mid-mountain chapel was named after a dear friend of Peter Stumboeck, Franz Brandstetter, who passed away in a hiking accident around the time the chapel was built. To honour his friend, Peter

devoted the chapel to him and named it *Franziskus Chapel*. Saint Franziskus, a German monk, was a patron of the animals in Germany and he also protects our animals, who are depicted in the paintings throughout the chapel.

In 2000, Peter Stumboeck passed away, and the chapel and hotel are now operated by Mario and Silvia Erler, of Germany. Currently, the chapel is used during the ski season to celebrate Mass on Sundays, Christmas and Easter. Year round, it is available for weddings and is booked through the Sun Peaks Lodge.

“ Wedding venue was great, staff were professional, venue looked amazing. Both the ceremony at the terrace and the reception at Masa's were beautiful. Would definitely recommend to a friend.

“ We had our early fall wedding up at Sun Peaks just a couple of weeks ago. We absolutely loved our experience! The wedding coordinators were incredible, and were extremely accommodating and helpful during our whole weekend. There were several last minute changes we needed help with, and they were able to accommodate us. Faith, especially was amazing to work with! I cannot put into words how thankful I am for her flexibility and help.

“ We had our wedding here in February 2019, it was a pure winter wonderland wedding. It was perfect! Faith was our coordinator at Sun Peaks. She was beyond helpful and always got back to us in a reasonable time from any queries & questions we had. She went out of her way to make sure the day went smoothly and as we had planned. We were in constant contact with Faith throughout the lead up to our wedding and we were kept in the know all the way through. Rob and his team did an amazing job with the food. They even went out of their way to ensure all the dietary requirements of some of our guests were met. Everyone that attended had nothing but great things to say. The ballroom was perfect the staff were amazing throughout the day and the outside setting for photos was wonderful. This place is gorgeous summer or winter, so if you're planning either season you will not be disappointed. The hotel has some great areas for photos or take them outside to the village. We couldn't have been happier with how the day went. WE LOVED OUR WEDDING DAY here and you will too!

“ Our wedding ceremony was totally amazing at the mid mountain chapel, Sun Peaks. Kaitlyn helped organize our perfect day with no fuss and it was super affordable! The day went so smoothly and we had the best time! Catching the chairlift up to my wedding was an incredible experience! Thank you!
