

Sun Peaks Shuttle COVID-19 Procedures

Sun Peaks Shuttle is following the lead of health officials when it comes to our response to COVID-19. We are taking additional steps to ensure a high standard of cleanliness is maintained in order to reduce any potential risk of viral spread.

Throughout the day, we will be cleaning high touch surfaces. At the end of every day we will be using our atomized sprayer from Victory Innovations to spray all surfaces inside the vehicle. We spray a hospital grade disinfectant called Vital Oxide which is an EPA-registered hospital grade disinfectant in the lowest toxicity category. It is approved for use on emerging pathogens and it kills the Sars-Cov-2 virus on contact. It also has no smell and does not contain bleach or other harsh chemicals. This process adds to our continued commitment of keeping all of our passengers safe.

- Please refrain from sitting directly next to a passenger that you don't know
- Do not ride the bus if you are experiencing any COVID-19 symptoms
- Follow all directions from drivers and Sun Peaks Resort Staff
- Wear a mask or keep your balaclava on (unless an exemption applies to you)
- Please leave gloves on or use provided hand sanitizer

Mandatory Face Covering Policy

The use of face coverings will be encouraged on buses and at bus stops where physical distancing is not possible. We recognize the advice from health professionals, including Provincial Health Officer Dr. Bonnie Henry, has been to wear face coverings when physical distancing is not possible including on transit vehicles. Customers have indicated making the use of face coverings mandatory will create a more comfortable environment.

While face coverings will be mandatory, the policy will be implemented as an educational step without enforcement. The educational position is aligned with BCTransit, Translink and other transit agencies in Canada.

Exemptions for our mandatory face covering policy include:

Anyone with an underlying medical condition or disability which inhibits the ability to wear a mask or face covering;

Persons unable to place or remove a mask or face covering without assistance;

Children under 5 years of age;

If you have any questions or concerns please contact:
